RE: CARRILLO-ESPINOSA, Marco Antonio
Dkt. No. 5:03CR50012-001
Violation Report

Dear Judge Hendren,

This is to seek the Court's guidance in the matter of supervision in this case. On July 31, 2003, Marco Antonio Carrillo-Espinosa was sentenced by Your Honor to 30 months imprisonment and a 3 year term of supervised release for illegal reentry into the United States after deportation subsequent to an aggravated felony conviction. Carrillo-Espinosa was released from the Bureau of Prisons on January 5, 2005 and subsequently deported to Mexico.

On August 17, 2007, Carrillo-Espinosa was arrested in Springdale, Arkansas on a new charge of obstruction of governmental operations. According to ICE, Carrillo-Espinosa was recognized by local law enforcement from previous arrests/contacts and aware that he had previously been deported. ICE agents immediately made contact with Carrillo-Espinosa and made positive identification. At this time, ICE has filed a detainer and presenting these new facts to the U.S. Attorney's Office. It is anticipated that Carrillo-Espinosa will be charged by a criminal complaint with illegal reentry into the U.S. and will have an initial appearance in U.S. District Court in the near future. It is our recommendation that we continue to monitor Carrillo-Espinosa's status regarding a new federal charge and the Court take no action regarding revocation and instead include the alleged violation as part of the sentencing should Carrillo-Espinosa in fact be indicted.

Should the Court require further information or prefer to handle this matter differently, please advise.
